From searching venues to getting top-notch vendors, Lisa has been so helpful in our wedding planning process. I told her we'd wanted to get married in a church in the bay area, and she immediately recommended us several churches with different styles and price points, and proceeded to tell us what it would feel like to get married in each one. Since she had done weddings in those churches, her insights and suggestions were very valuable. We finally chose to get married at Valley Presbyterian Church on 12/17/17. The redwood forest behind the big window in the church truly gave the wedding a vibe of peace and solemnity. The wedding turned out to be the wedding I'd always dreamt of. Without Lisa's help, I would never have found such a perfect wedding ceremony spot. The wedding photographer she recommended also did a great job. If you are looking for a wedding planner, definitely meet Lisa.
